'The most English thing I've ever seen'

NEIGHBOUR'S POLITE NOTE TO LOVE RIVAL

A WOMAN leaving a polite note to her neighbour asking "please stop sleeping with my husband" has been hailed "the most English thing I've ever seen".

A photo of the note, discarded next to a green wheelie bin, was posted online by Twitter user Eddie Frankel and it's set the internet alight.

It appears to have been spotted in the London borough of Walthamstow, home "manor" of Nineties pop group East 17 – though it's not believed that any members of the House of Love popsters are involved in the love triangle.

Sleeping

The note reads: "Emilia No. 36 Please stop sleeping with my husband."

The name of the road has been obscured for legal reasons.

Twitter user Blogger on Pole commented: "This is the most English thing I've ever seen. As an Italian, I would have already found her and shouted at her."

While Kathryn Deem noted: "This is the most polite drama I have ever seen."

And Oliver Ball added: "Ayye! It's times like these I feel proud of where I come from. Yay awesomestow!"

Was it a wet Trump or floater?

CLAIMS that US President Donald Trump forgot to flush the toilet after having a shit at Windsor Castle were furiously dismissed as "fake news" last night.

Reports surfaced online that the Boss Yank left a "floater" in the royal crapper after his meeting with Her Majesty last month but White House officials said they were "wildly inaccurate."

A Washington source said: "At the very worst, the President may have left a skidmark on the bowl because he could not find a toilet brush.

"Reports he left a floater are wide of the mark, wildly inaccurate and just plain fake news."

LEGLESS: Barry says he lost his artificial legs to a vicious plague rat

HEATWAVE RATS ATE MY LEGS

RODENT RASCAL: Rat like the one who made off with Barry's peg legs

FURIOUS Barry Winstanley is going to SUE his local council under the Human Rights Act after giant RATS broke into his sheltered hosing flat and ATE his prosthetic LEGS!

By SIMON DEAN
simon@sundaysport.co.uk

The 46-year-old from Birmingham says cuts to refuse collections and pest control patrols have allowed the vermin to breed unchecked.

And the recent hot weather has exacerbated the problem, he says, and allowed populations of the rodents to explode to plague proportions.

Barry, who lost his legs in a freak cutlery accident – the details of which are still too upsetting for him to talk about – said he woke from an evening of refreshment last weekend to find his prosthetic legs had disappeared.

He shuddered: "I crawled from the sofa and looked into my back yard. There was a rat sitting on the bin with a smug look on his face which said 'I've just eaten that man's legs.'

"I phoned the council straight away and complained. They said because of that restraining order imposed after that business with the drains, I'm not allowed to phone the council and must complain by letter.

"How can I get out to post a letter? Rats have eaten my false legs!

"If the council had collected the rubbish and killed the rats, this would never have happened."

Last night a council source said: "Last time he complained about his legs going missing he said gypsies had stolen them. Actually, he'd put them behind the sofa while pissed."

'Dead woman' flashed trucker

A WOMAN who looked "dead at the roadside" terrified Good Samaritans when she leapt up, FLASHED a trucker, then ran away.

Eight police cars raced to the scene on the A706 between Forth and Lanark in Scotland after the alarm was raised by worried commuters.

One eyewitness said: "We stopped the car because we saw a woman's body at the side of the road.

"It turned out she was alive but either very drunk or drugged. A lorry driver then stopped at which point she exposed herself to him and ran off."

Police have so far been unable to track down the woman.

Deadly wild animals will roam streets post-Brexit

BRITAIN'S streets will be stalked by killer lions and tigers while venomous snakes will lurk in every corner because BREXIT will lead to zoo regulations collapsing.

Motorways and roundabouts will be colonised by groups of shit-flinging monkeys, while ELEPHANTS will churn up the hallowed turf at Wembley, Twickenham, Lords and Ascot.

That's the startling warning from the pro-Brussels animal charity EuroCuddles, who say that without EU rules on animals in captivity, Britain's zoo infrastructure will fall apart.

Spokesperson Juliet Harrington said: "In a perfect world, we would like to see an end to zoos but we know that, thanks to laws brought in by the European Union, Britain's zoos are at least safe.

"Without EU law in place, keepers will be free to leave cages open. With all these hungry and dangerous animals running about, the streets will be terrifying places."

A spokesman for the Department for Exiting the European Union said: "We are looking at options with regard to the safe transition of zoo animals to a post-Brexit Britain."

BARING ALL: Iggy isn't shy to show off her cracking curves

POP star Iggy Azalea left fans peeling their jaws off the floor when she posted this completely STARKERS shot on social media.

The 28-year-old is known for her eye-popping curves and last week she stripped naked to celebrate the release of her new album 'Survive the Summer'.

Knickerless rapper Iggy covered her fanny with a £2,000 neon green Prada handbag and used her inked-up arm to cover her nips in one racy shot.

In the horny snaps, Iggy wears nothing but illuminous stilettos, to match her designer handbag.

The Australian stunna has never been shy when it comes to flashing the flesh but this nude photoshoot could be her sexiest to date.

DRUNK SLAPPED OUR CAR WITH DICK...AS WE ATE FISH & CHIPS!

Court told beast then dropped pants & shat in street

By MIKE BROWN
news@sundaysport.co.uk

A DRUNKARD continually whacked his PENIS against a car and then did a poo on the floor as the women inside the vehicle ate their chips.

John Henson had been on a marathon drinking session when he ruined the women's seaside trip to Redcar, North Yorks.

Without warning, he opened his trousers and began whacking his genitals against the car door, Teesside Magistrates' Court heard.

OBSCENE OF CRIME: Central Terrace in Redcar

The driver called the man a "dirty bastard" and threw some chips at him, shut her window and then screamed for her mum, a passenger in the car, to do the same.

Rachael Dodsworth, the prosecutor, said Henson, 44, "continued to wiggle his penis around, then tried to get in the car through the window".

Panicked, the women shouted for Henson to go away and tried to move the car, parked off Central Terrace near Redcar's clock tower, but they were blocked in.

At this point he dropped his trousers, turned and bent forward, and did a poo in the street near the car.

The bizarre series of events unfolded at around midday on June 29 close to Henson's home in the town.

The court also heard that Henson shouted obscene sexual remarks at the women, before he was eventually calmed down.

The women – not from the area – said they used to enjoy coming to Redcar for fish and chips, but their idyllic day out was sullied. In a statement read to the court, one of the victims said: "It was obscene and disgusting.

"The dirty bugger put me off going to Redcar, and it put my off my dinner."

A probation report about Henson said he had been to a nightclub until 4.30am that morning, carried on drinking alone until 8am and had taken cocaine.

He was given an 18 month community order with six months supervision, and 25 rehabilitation activity days after pleading guilty to indecent exposure and being drunk and disorderly.

Margot: I will go naked for the right roles

MOVIE stunna Margot Robbie says getting naked on screen is 'empowering'.

The 28-year-old bombshell is no stranger to stripping off after shooting provocative sex scenes with Leonardo DiCaprio in *The Wolf Of Wall Street*.

But Margot says she's only willing to shed her clothes if her character 'uses it as a weapon!'

She said: "If I see they're using it was a weapon, or a tool or doing it intentionally, like in *Wolf of Wall Street* where she's wearing a short dress for a reason, it's her currency and knows she's going to get her own, that feels empowering."

However, the Oscar-nominated actress says she refuses to be "taken advantage of" by filmmakers.

She added: "When it's used in a way where there isn't that level of self-awareness I don't agree with it."

Wee want some ladies' urinals

MILITANT male-to-female transsexuals have demanded URINALS in WOMEN'S toilets, claiming that waiting for a free cubicle makes them "anxious".

As the debate rages over whether self-identifying "transwomen" can access all-female facilities, activist Juliette LeBron has upped the ante with her call.

The 43-year-old from Harrogate, North Yorks, who was born Kevin, explained: "As a woman, I am perfectly entitled to use women's toilets but waiting for a free cubicle can be an anxious time.

"It leaves me and women like me vulnerable to abuse by ciswomen (women who were not born men).

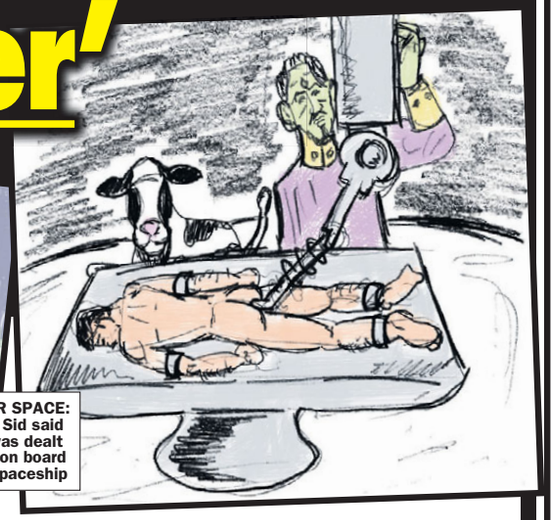
"The obvious solution would be to install urinals in women's toilets so that transwomen who have not de-penised can use them without having to queue."

Millicent Hathersage, spokeswoman for anti-tranny feminist group Fanny Old Thing raged: "I've heard it all now. For the love of fking Christ!"**

As the astro-probe rammed into my anus, I thought, 'That alien looks just like Gary Lineker'

ARTIST IMPRESSION: Sid says alien was a ring for Gary Lineker

BUSY: Crisp legend Lineker



INNER SPACE: How Sid said he was dealt with on board the spaceship

PARK STRIFE: Sid woke up in a flower bed after his ordeal with aliens

AMATEUR stargazer Sid Pilton had an out-of-this-world experience when he was abducted from his allotment by SPACE ALIENS in broad daylight!

Sid, 62, claims he was whisked light years across the galaxy and subjected to "intimate" anal examination by a moonman who was the spitting image of 57-year-old crisp salesman GARY LINEKER!

Now recovering at home in Plymouth after the aliens left him naked in the city's Hoe Park, he said: "It was the most extraordinary experience of my life and one I'm not likely to forget."

Sid said he was harvesting carrots at his tidy plot on Thursday when he felt an "unearthly sensation".

SUNDAY SPORT EXCLUSIVE

He said: "It felt like I was being lifted from the ground by some sort of invisible beam. I looked down and realised I was! In a flash, I was inside the hull of a spaceship.

"A robotic voice came over the intercom and ordered me to undress. Not wanting to get zapped by a ray gun, I naturally complied.

Control

"Next thing I know, a being with the head of a cow came in with a trolley and ordered me to lie face down on it.

"It must have been some sort of mind control because I did as I was told. Then what I took to be the boss alien came in. I realised there was something familiar about his face but I couldn't put my finger on it.

"Then a device with a probe came out of the ceiling. As the tip of the probe nudged the entrance to my anus, it hit me – the alien was the spitting image of Gary Lineker!

"Of course, it wasn't the real Gary Lineker. He's too busy having a Twitter squabble with Piers Morgan. But the resemblance was uncanny."

Sid says that he blacked out while enduring his celestial anal probe and woke up in the park.

He said: "I came to in a flower bed and I had some explaining to do, I can tell you!"

Sid now plans to write a book about his experiences and will give a talk to the Plymouth and District UFO Society next month.

He explained: "As I'm a keen amateur astronomer myself, my story will not be regarded as the ravings of a crank."

Plane perv had gerbil up his bum

A MAN was nicked after trying to board an airline flight with a gerbil up his ARSE!

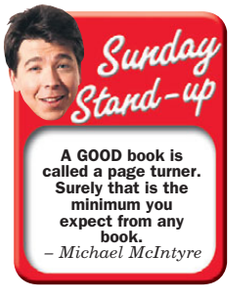
Bizarrely, Elmet Hoops, 27 – who was stopped from boarding a flight to Chicago from Austin, Texas – claimed the rodent was an "emotional support animal" and he needed the creature to help him overcome his fear of flying.

Some U.S. airlines allow passengers to bring animals into the cabin if they can demonstrate the beasts are for emotional or psychological support.

That didn't seem to be the case with Hoops.

A source at Austin Airport said: "That poor creature was dead as a doornail, which ain't surprising me none on account of it being hid in some gol-durned fag's ass."

Hoops has been charged with unlawful interstate transport of a living animal, criminal mischief, animal cruelty and resisting a federal aviation official.



Jail break for OAP sex offender

A DIRTY 91-year-old man has dodged jail for indecent assaults on staff at a care home.

Thomas Mingins was warned by magistrates he would have been jailed but for his age and medical needs.

Mingins was a resident at the Corrin Home in Peel on the Isle of Man when a healthcare assistant said he pulled down the zip of her top and put his hand over her breast while she was taking his blood pressure.

Another indecent assault occurred when a physiotherapist was helping Mingins use a zimmer frame and he grabbed her breast and "lower front private parts".

He told her: "I was in the Navy for 40 years, what do you expect?"

Mingins was sentenced to two months' custody for the offences, to run consecutively, but suspended for two years.

He was also ordered to pay £125 prosecution costs.

HEDGEHOG CAM CAUGHT NEIGHBOUR SHITTING IN MY ROCKERY

UNCRAPPY: Brian has had to 'have a chat' with neighbour Geoff before

***SPRINGWATCH* fan Brian Kinsey always dreamed of having a motion-activated wildlife camera in his garden to capture snaps of visiting critters .**

By BARNEY SAMUELS
news@sundaysport.co.uk

So after a lucky scratchcard win put him in the money, he shelled out £150 for one of the high-tech gadgets.

But instead of catching charming images of hedgehogs snuffling in the undergrowth or urban foxes visiting his tidy garden in Biddulph, Staffs, all Brian got was a high-definition night vision photograph of his neighbour having a SHIT in his rockery!

Furious security operative Brian, 43, said: "As you know, alpine plants in a rockery thrive in a low-nutrient soil, so the last thing they need is someone shitting on them.

Crap

"Then, of course, there is the downright outrage of my neighbour having a crap in my damned garden! I marched round to have a few words but he fled over the back fence.

"He's always been nervous of me since I had a 'chat' with him after he reversed his car over my pansies on the front drive."

Last night we tracked Brian's neighbour Geoff Hopkins, who said: "Yes, I admit it. I did shit in that thug's rockery, but only after he put me in hospital for crushing a couple of his pansies.

"I can't say any more. He said that if I snitched on him I'd end up under some affordable new build housing.

"And he's not joking."

Sex Miss 'emptied teen pupil's balls'

A SEXY supply teacher has turned herself in to cops after it was claimed she'd shagged a teenage pupil "until his balls done gone empty".

Police say that Kayla Safford, 24, went to police after she was accused of having sexual contact with a student in Florence, Alabama.

A police source said: "We done talked to the school, we done talked to the victim of this here alleged felony. As we say down here in Georgia, it appears this young lady done fornicated with that boy until his balls done gone empty."

Authorities also say the school system was made aware of the allegations early on in the investigation. They have also confirmed that the student was an 18-year-old male.

The victim's mother said: "It shouldn't matter whether the student be male or female, 14, 16, or 18 years of age. No teacher or substitute should engage her student into sexual intercourse.

"When parents send their kids to school they trust that teachers will act as guardian for their children, protecting and guiding them. A trust that shouldn't be broken.

"There is a boundary between teachers and their student that should never be crossed."

Safford has been booked into the Lauderdale County Detention Centre.

THE VOICE OF YOUR BRITAIN

Prepare for spacemen's anal probes

ARE we alone in the Universe?

That is a question that mankind has pondered since the birth of humanity.

It would appear increasingly preposterous to insist that, in all the vastness of the cosmos, our tiny outpost of life is unique.

That is why the testimony of brave men like Sid Pilton is so important.

Snatched from his allotment and anally probed by space aliens, Sid had the courage to speak out about his ordeal.

There can be no doubt his story is true.

Sid told us that one of his captors looked like anti-Brexit agitator and Twitterist Gary Lineker.

It is detail like this which convinces us his story is accurate.

The time for us to deny the testimony of abduction victims is passed.

Their stories show us how people from other worlds may bring great benefits, or pose dangerous threats.

We must listen to Sid's tales of extra-terrestrial anal probes.

The future of our species may depend on it.

We alone speak out against this scourge

FOR years, this newspaper has been a lone voice on Fleet Street campaigning against the scourge of unlicensed Albanian plastic surgeons.

For our pains, we have been attacked by our left-wing rivals as anti-Albanian and by our rivals on the right-wing of being anti-free market panic-mongers.

Well, turn to page 17 of today's paper.

Look at the state of poor Mickey Wallis – disfigured and maimed by a rogue Albanian butcher.

Our campaign is not driven by anti-Albanian prejudice.

And this newspaper is not prone to panic.

But we have long seen this problem on the horizon and, as is our duty, we have spoken out.

Now, at last, maybe someone in authority will take notice and take action.

Gemma: My sex scenes are tasteful

GEMMA Arterton says her sex scene with actor Dominic Cooper in new movie *The Escape,* is all done in the best possible taste.

Gemma, 32, plays Tara, a wife and mother struggling with depression, who falls out of love with her husband Mark.

And the former Bond babe defended the fruity bits of the new film with Cooper, 40.

Gemma said: "The thing I hate about sex scenes is when they're pornographic – wide shots with bright lights and naked bodies.

"But this was all about the faces and it didn't really matter what we were doing. Dominic and I are very close. It's like he's my brother.

"I felt very safe with him. I didn't feel at all exploited."

Giant deadly jellyfish hit UK

A GIANT jellyfish that can engulf and digest a GROWN MAN has been spotted off the west coast of Ireland, leading to fears it could be heading to UK beaches.

The terrifying Titan Jelly – first described in Charles Darwin's 1839 book The Voyage of the Beagle – is normally native to the South Seas and is thought to have been swept north by freak ocean currents.

Warm water caused by the ongoing heatwave has created ideal conditions for the monster to breed.

The Titan Jelly normally preys on dolphins and large fish but there are accounts of humans falling victim to the creature.

Dr Jonty Mallinson of the University of West Lancashire Oceanographic Institute said: "The Titan Jelly is a fascinating organism but you would not want to come across it while you're having a paddle at Blackpool.

"It injects a deadly neurotoxin that can kill in seconds and then digests prey using powerful enzymes."

MEET SWINGER CLAIRE WHO BONKED HER WAY THROUGH CAMP BESTIVAL

I've shagged NINE blokes in TWO DAYS

READY TO ROCK: Claire got plenty of cock at festival

IN some ways, it's a good job that the Camp Bestival music festival was called off last Sunday due to adverse weather...

By GRACE HOOPER
news@sundaysport.co.uk

Because by Saturday teatime randy nympho Claire Wallis was so full of SPUNK she was practically BURPING the stuff, and her neatly-shaven minge was THROBBING from being pounded by NINE hard cocks.

The 38-year-old singleton said: "I've been a swinger since my early twenties and have found that – in the summer months, especially – music festivals are the best places to get a good, hard f**king by lots and lots of people.

"I've been bummed by three bikers in a row at Monsters of Rock, sucked hippy minge at Glastonbury and had a gangbang at Cream.

"Ha! Cream! That was a particularly appropriate name for my time there last year because I was covered in the stuff most of the time I was there. Covered."

'I was covered in the stuff for most of the time I was there!'

Last weekend was sculptor Claire's first time at Camp Bestival.

Described as the "little sister" of the Bestival Festival, which is being held this weekend at Lulworth Castle, Camp Bestival is more family-friendly. It even featured *Bake Off* judge Mary Berry playing the drums with mums' favourite singer Rick Astley.

Claire said: "I didn't think it would be that wild but I figured there'd be plenty of fed-up young dads who would appreciate a bit of hot pussy. And I wasn't wrong.

"I'd hardly put my tent up on Friday before I had my first shag – a bloke from Birmingham who'd maybe had a bit too much cider."

In the coming hours, Claire sucked off and shagged three more lucky fellas.

She said: "There wasn't much time to see the acts. I was too full of cock and spunk."

On Saturday, Claire had an early start, seducing a 19-year-old student in the queue for the bathroom facilities.

She laughed: "By Saturday afternoon they were forecasting a weather front would move in on Sunday so I thought I'd better get my skates on before my tent got flooded out.

"I pulled one guy in the queue for bean burgers and another by a henna tattoo stall.

"The beer stalls are the best places to pull. A nod and a wink and you're well in."

By the time the rain arrived, in the early hours of Sunday, Claire had shagged a total of NINE blokes.

She said: "I was chuffed with myself, especially as I hadn't expected too much from Camp Bestival. I packed up my tent on Sunday and headed home because it was pouring down.

"What a weekend, though! Even though it was cut short, I had the time of my life!"

Woman tried to chop fella's c*ck off with hedge trimmers

A WOMAN has been charged after she assaulted her boyfriend and threatened to cut off his GENITALS with hedge trimmers.

The unnamed man claimed that hot-headed Airan Park *(left)* approached him while he was working on his truck and accused him of cheating on her.

The man claimed Park began breaking things around the garage and house – then got a knife and began stabbing walls, a rabbit hutch and a garage door.

According to court documents, Park said she was going to cut and stab the man with the knife before she grabbed some hedge trimmers and threatened to cut off his genitals.

The man was able to get away from her and call for help.

Officers noted stab marks throughout the home, and the knife had marks on it consistent with being stabbed into items as described by the man.

Park, of Great Falls, Montana, is charged with partner or family member assault and assault with a weapon.

Frogs' love of stripping spawns new nudist craze

THE French are going mad for NUDISM with a 50 per cent surge in snail-eaters throwing off their togs in the last four years, according to authorities.

And it's not just on beaches – activities from yoga, singing and gym classes to bowling and trampolining are all taking place in the altogether.

Organisers of nudist events say they are oversubscribed.

When the Palais de Tokyo museum in Paris held a nude session of an art exhibition in May, 30,000 people requested tickets, although only 161 were available.

The number of French nudists has risen by more than half in the past four years. The country now has around 2.7 million nudists, according to the French Naturism Federation.

The largest park in Paris, the Bois de Vincennes, has an area reserved for nudists, and O'Naturel is the first nudist restaurant,

A TV series called Nu ("Naked") began last month, set in a future in which people are forbidden clothes.

Olivier Fox, the director, said: "When people are naked it creates a closeness, a sense of compassion."

Nude woman nicks cop car

A NAKED woman stole a police patrol car, dragging along a cop who was holding onto the door.

Lisa Luna approached nude as Sheriff's Deputy Francisco Campillo parked at a petrol station.

She jumped in when the cop got out in Gila Bend, Arizona.

CCTV video shows Luna (*above*) driving off. The cop was dragged along, suffering scrapes.

Campillo said: "I told her stop the vehicle. I tried to jump on the running board and then she does this U-turn and guns it. I slipped and fell."

Luna, 28, was nabbed when she crashed after a 70-mile chase. She was caged for three years.

It did not emerge why she was naked though drugs may well have played a part.

AIMEE LAYS ON RUGBY TREAT!

By WENDY THOMAS
news@sundaysport.co.uk

SCRUMMY blonde Aimee Harris once accidentally flashed to a whole team of rugby players!

The catering assistant had laid on a posh do at her local club and was switching into her best outfit in the changing rooms.

But when the pretty babe turned round, fully naked except, she saw the team staring back at her!

Lovely 32D Aimee, from Southampton, giggled: "Their mouths dropped open as I stood in front of them with my boobs and my downstairs on display.

"One of them flirted with me all night and asked me up to his room – you can guess what happened!

"At some point one of his team-mates walked in on us – I didn't kick him out of bed either.

"AND they changed ends at half-time. Oof!"

GAS MAN BONKED SHETLAND PONY

BEASTLY: Schlosser was seen shagging the pony in its pen

A PERVERT gas man was arrested after being spotted balls-deep in a Shetland pony.

Cops received "multiple calls" about a naked man was seen having sex with a miniature horse in a pen.

A witness told investigators she saw a man "fully nude, standing in the field having sex with a pony," according to the arrest affidavit.

Another took out his phone and started recording the sex deviant in action.

The sicko only stopped his vile act when he spotted he was caught on camera.

Rogers County Sheriff Scott Walton said that police officers from the Inola Police Department, Oklahoma, responded to the scene and arrested the man, 29-year-old Tyler Joseph Schlosser.

Schlosser allegedly stopped and began walking toward them.

Walton said that it appeared Schlosser was a utility worker who had a job with the gas board.

He allegedly blamed his disgusting actions on medication. The sheriff added that fortunately his agency rarely encounters such bestiality cases.

Sympathy

He said: "It stretches the imagination. I certainly have sympathy for the homeowners who had to witness it. That literally causes some emotional scars. People laugh about it and everything. I guess you got to deal with it, but I do have sympathy for people who witness sick stuff like that."

Officers arrested Schlosser on complaints of indecent exposure and crimes against nature. He was slung in the local jail.

Naked nut blubs as dad pulls gun

SICKO Josten Meeler picked the wrong family to tangle with when he scampered through a picnic area stark naked.

Because dad Tae Lovelace was packing some serious heat and soon had 21-year-old Meeler (*above*) cowering and begging for his bare-arsed life!

Tae, his wife, their two kids and the childrens' grandma were enjoying an outdoor feed at a park in Newton County, Georgia, when Meeler came out of the bushes.

Tae explained: "I asked him, 'Would you please leave the scene you're causing trouble'."

He said he repeatedly told Meeler to leave, but although Meeler fled, he returned – and that's when Tae pulled his gun.

Police were called and in the confusion Meeler jumped in a lake.

He was fished out, arrested and charged with indecent exposure.

WHAT C5 DOCUMENTARY DID NOT TELL YOU ABOUT BRITAIN'S MOST FAMOUS HOOKER, KAT LEE . . .

A punter paid me £200 to rub his bellend with a Brillo pad

KAT'S YOUR LOT: Porn babe has done it all – for a fee, of course

YOUR PAD OR MINE: Kat on show, but she didn't mention her client with Brillo lust

BRITAIN'S most famous escort Kat Lee was the STAR of a brand new documentary last week – but there's plenty of her that not even Channel 5 dared to show.

Kat's career was the focus of *First Time Call Girl*, which aired on Tuesday night.

But despite Kat, 32, telling the cameras all about how clients love to be BUMMED with a STRAP-ON, they failed to tell viewers about the time she once WANKED off a bloke with a BRILLO pad.

And even though she spoke about clients who enjoy particularly rough shagging sessions, she didn't mention her scourer fetishist.

Kinky

She said: "I told them all about my gangbangs and all them orgies but they didn't show any of that on the telly, there's loads I could have told them!

"Regular readers of *Sunday Sport* know exactly what I've been up to over the years but I don't think Channel 5 wanted me to be too kinky.

"Last month one bloke rang me up wanting me to rub his bellend with a Brillo pad. I thought it was a bit odd, but I do weird stuff all the time, so when he offered me £200 I booked him in.

"I opened the door wearing a white underwear set, holding my Brillo pad up, and his cock went hard the minute he saw it.

"He laid back on the bed and begged me to wank him off as I rubbed this Brillo pad across his bellend.

"I went gentle at first, terrified of hurting him, but the kinky bastard kept screaming at me to rub harder and faster.

"By the end, his poor cock looked like it'd been through a bloody mincer – God knows how he explained that to his wife.

"But he was happy and he's booked in again for a couple of weeks' time, when the skin on his member has grown back!"

Kat's X-rated career in porn and escorting was laid bare with the Sunderland-born stunna opening up about her £120 per hour romping rates.

Viewers of the documentary – watched by almost two million people – were treated to a Kat flaunting her 34FF knockers in a kinky red set of underwear as she waited for a client.

She told the show how she sees around 25 clients a week and travels across the country to service her horny customers.

As well as hotel rooms Kat has provided special entertainment in hospitals and airports.

Public transport has also seen Kat earn some money as she once had a group sex session with a stag-do on the Virgin Pendolino.

Kat's certainly done it all – ANAL and BUKKAKE and been plenty of GANGBANG ORGIES.

The brunette beauty said: "You name it, I've done it. There's nothing like the feeling of being surrounded by fit men and their spunk splashing my naked body – I absolutely LOVE IT."

Brexit blow for re-make of Italian Job

MAKING a classic film like *The Italian Job* will be IMPOSSIBLE after Brexit.

The 1969 comedy caper, starring Michael Caine, followed the adventures of Brit bank robbers who conspire to steal gold bullion from Turin, Italy, using Mini Coopers and a coach.

But European Film Foundation boss Hercule Delagarde said a re-remake will not happen after Britain leaves the EU.

Delagarde warned: "After Brexit, thanks to barriers going up between the UK and the EU, the idea of all those Minis, never mind a bus, travelling across the Continent to stage a daring bank heist will be regarded as beyond outlandish.

"This is yet another example of how Brexit will negatively impact the cultural identity of Europe."

He seemed not to know the film was made before we joined the EU.

Underpant fire nobbles cruise

A CRUISE ship passenger who was thrown in the brig for being drunk sparked a full-scale alert when he set fire to his UNDERPANTS in the cell.

The man, who is in his 50s, was detained by crew members on Viking Line's Cinderella ship for drunkenness and placed in a cell to sober up.

In the on-board holding facility, the man set fire to his keks, triggering the ship's smoke detectors and fire alarm.

Three crew who went to tackle the blaze inhaled smoke and were sent to a local hospital when the ship docked in Mariehamn, capital of Åland, an autonomous Finnish province.

The man was arrested and faces four years' jail.

Christoffer Ahlfors of the Åland police said: "It is always potentially dangerous to light a fire aboard a boat."

TELLY HELEN'S BIKE SEAT SNIFF TERROR

Pervert spotted in Instagram picture

SITTING astride a bike in the grounds of an English country house on a summer's day, *Countryfile* star Helen Skelton looks just fabulous.

By SIMON DEAN
simon@sundaysport.co.uk

And the 35-year-old must have thought so too, as she shared the lovely image with her 95,000 Instagram followers.

But there's something VERY wrong with the snap…because, peering from one of the windows of Osterley Park and House, near Isleworth, west London is none other than bike seat sniffing uberpervert CLINTON DENNISON.

Clinton, 36 from Crewe, Cheshire, is known to stalk cycling celebrities then sniff their seats.

He has been arrested many times for his warped hobby but continues with his bizarre obsession.

A source close to Helen said: "It was only afterwards that we saw this Dennison creature at the window.

"Helen had no idea who he was but when we told her, she blanched. She's a tough cookie but the thought of him sniffing a bike seat really shook her."

Prison drugs smuggler was feline brave

TWO men have been arrested after attempting to use a CAT to smuggle drugs into a prison.

The feline felon was caught with a special collar carrying seven grams of hashish and amphetamines into a prison in the Tula region, south of Moscow.

The cat had reportedly lived in the yard of the prison before an inmate took it home with him upon being released.

A police spokesman said: "They intended to release the pet near the correctional facility, presumably for the cat to return to its former home with the drugs."

More amphetamines and synthetic marijuana were seized in a search at one of the suspect's apartments.

The two suspects face up to 10 years in prison on drug possession charges.

Five years ago, prison guards in Russia's northern Republic of Komi caught a cat carrying mobile phones and chargers into a Penal Colony near the city of Syktyvkar.

And in 2010, a cat with a heroin-laden collar was killed by a jail guard dog while trying to smuggle the drug to a convict in Russia's Volga Republic of Tatarstan.

Naked drunk waggled cock

A MAN who strolled naked down a seaside street has been arrested after he waggled his willy at a shocked mum.

A woman told police the man was walking in Myrtle Beach, South Carolina, while she was on the balcony of her home with her family.

She said she yelled and asked him what he was doing walking naked. She said the man "shook his genitalia" at her and kept on walking.

Police found the man on the beach covered in sand but nothing else.

He admitted he had walked from his holiday home naked and also said he had been drinking for some time before going to the beach, according to a police report.

Zachary Burton (*above*), 30, was arrested for indecent exposure and public intoxication.

STURDY CREVICE: Girls find a safe – and saucy – way up

By BRAD CHADWICK
news@sundaysport.co.uk

SOME students waste their gap years going round South America buying stupid hats or "finding themselves" on a druggy Thai beach.

But Sarah Jones and Helen Watson had a real life-enriching experience.

They spent eight months on a sheep station in the Australian Outback.

Outcrop

And what's more, halfway through, they climbed the 500ft rock outcrop Perkin's Knoll – and raised £2,000 for poor little kiddies with bent legs.

And they did it NAKED!

Sarah, 20, said: "We both realised we'd probably end up working in an office for the next 40 years so decided to do something really outdoorsy."

Helen, 21, added: "The rock claim was a high point but those harnesses don't half chafe your pissflaps!"

Nude dude gets a stiff sentence

A MAN was arrested just an hour after being freed from jail after he was found standing "fully nude" and "fully erect" in a car park.

Police were called after several people saw Jayden Austin Johnson (*above*), 23, naked in the parking lot of a Wells Fargo bank branch in Rock Hill, South Carolina.

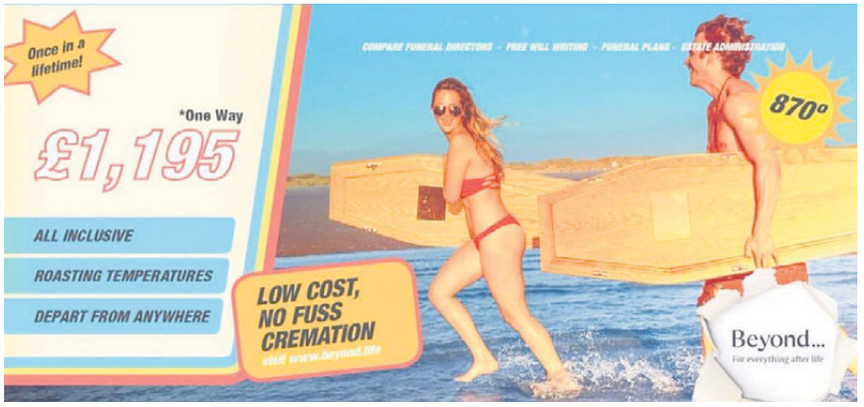
People walking by told cops that Johnson had been standing unclothed for several minutes, and was "sporting an erection".

Police asked Johnson to identify himself, but he refused, but found his prison ID nearby in a bag.

Johnson was charged with indecent exposure.

He'd been released from prison after doing time for breaking and entering, weapons and willful destruction of property.

A police source said: "Some of these varmints just can't live outta jail. Kindest thing would be to toss 'em in the swamp but can't do that no more these days, dammit!"



IS THIS THE CHEEKIEST FUNERAL FIRM IN BRITAIN?

By SIMON DEAN
simon@sundaysport.co.uk

DEAD 'N' BURIED: Adverts banned for being offensive

THESE cheeky funeral adverts were BANNED from London's Underground stations for being "likely to cause serious and widespread offence".

Some appear to be adverts for something else at first glance, such as one which looks like a once-in-a-lifetime holiday – but the models are holding coffin lids instead of surfboards.

Another likened choosing a funeral director to car shopping, saying 'Don't get RIP'd off'.

The adverts are for funeral comparison website Beyond, which offers various end of life services.

Ian Strang, its co-founder, said: "It is hugely disappointing not to have been allowed to run our adverts. In the UK we are not comfortable talking about or engaging with death and it's not healthy, and something we want to meet head on.

"Our reluctance to talk about death is the reason funeral costs continue to spiral."

Student bonks Miss 25 times then dobs her in

A STUDENT snitch boasted to authorities that he'd had sex with his teacher 25 times.

The ungrateful rat said he'd even bonked Rene Elena Carter (*right*) in her classroom at Capital High School, in Helena, Montana.

Authorities were first alerted to the situation by Principal Brett Zanto, who reported that Carter and the student were caught on video engaging in inappropriate physical contact in a stairwell on June 8, 2015.

Authorities reviewed the info but said the footage did not appear to show any sexual contact between them.

A detective later spoke with the student, who denied shagging Carter.

In 2016 and 2017 a family member of the student told cops she had heard about a relationship between the student and Carter.

The student later told authorities their sexual relationship started in 2015 when he was 17 years old.

He told the detective he and Carter "kind of planned on getting together once he turned 18, but they never did." The student also told the detective he had sent Carter money from time to time.

The student told the officers he didn't report his relationship with Carter in 2015 because he did not want to get her in trouble.

The student provided identifying information about Carter and she was nicked.

Her trial is scheduled for December 10.

WANT TO SIT ON MY COCK?

Designer makes furniture...out of himself

MADCAP designer Nikolas Bentel is trying to pass off his naked body as furniture, posing in a variety of ways so his arms can be used for hanging clothes or his tummy forms a coffee table.

Bentel, who is based at New York's New Museum, developed his Corpus Collection as an experiment to gauge how difficult is it to design a range of furniture, from initial sketches to filing a patent.

He blathered: "I decided that to really understand what our everyday objects need to go through, I need to become one of them and experience the design process first hand.

"I went through the entire process of designing and patenting my own body as different pieces of furniture to prove a point."

Bentel worked on six different body positions over two months. In this time, he assessed the functions of all his body parts and trained up the muscles he required to hold each pose.

His designs include a table, for which he creates a flat surface by assuming a crab pose. As a coat rack, he stands on one leg and bends the other forward for draping items over. He also extends out his arms to hang coats from.

Last night former *Antiques Roadshow* furniture advisor Binky Butterstaff said: "This is, quite frankly, a load of bollocks."

WHY YOU SHOULD NEVER HAVE UNLICENSED COSMETIC WORK

I gave Albanian surgeon £50 to look like Holly Willoughby

THIS MORNING: Mickey's face now looks a total mess following 'cosmetic' op

IDOL: Mickey wantd to look like Holly

By SIMON DEAN simon@sundaysport.co.uk

THIS is the reason you don't go to a drunken, struck-off Albanian doctor for cosmetic surgery!

Troubled Mickey Wallis has for years idolised daytime telly queen Holly Willoughby and recently decided he wanted to LOOK like her.

But his wages as a trolley recovery operative for a supermarket chain hardly stretched to the extensive facial reconstruction procedures needed.

So earlier this year he turned to a man who drinks in his local – Tirana-born Aleksio Berisha – to carry out the necessary work.

Hungover

Berisha, who fled his native Albania after being struck off by the Albanian Register of Surgeons, claimed asylum in Britain and settled in Mickey's home town of Stoke-on-Trent.

He quoted the 45-year-old £50 to rearrange his mug to resemble that of *This Morning* host Holly, 37.

Speaking through his mangled mouth last night, Mickey said: "I couldn't believe my luck. Fifty quid!

"I turned up at his flat next day with a picture of Holly for him to work from. He was a bit hungover but soon had his tools out and put me under.

"When I woke, I was swaddled in bandages and Berisha was drunk. He said he'd had a drink to celebrate the 'success' of the op. He told me not to take the bandages off for three weeks.

"But two days later, I developed an infection. I was rushed to hospital and they were shocked at my face.

I explained I'd wanted to look like Holly Willoughby and they said I looked more like Mason Verger out of that Hannibal Lecter movie.

"They've patched me up the best they can."

Last night, Berisha appeared to have fled Stoke.

Cock-sucking screw dodges jail with plea

A RANDY prison guard who sucked off an inmate has narrowly avoided jail herself after a plea deal.

Last October Jennifer Kowalski (*above*), 40, entered a 'not guilty' plea to sexual assault by corrections staff and misconduct in office, which could have seen her caged for 10 years.

A criminal complaint said Kowalski wrote love letters to a lag in the Marathon County Jail in Wisconsin and sucked his cock to salty-sweet completion while guarding him at a hospital.

It said: "The inmate acknowledged a relationship with Kowalski but said it happened after she left the Marathon County Sheriff's Department."

Kowalski was fired on October 29, 2015. The charges were filed a year-and-a-half later.

She's now pleaded guilty but the terms of her agreement with prosecutors won't be made public until a court hearing later this month, but her lawyers say she won't be jailed.

'Strict' mum hacks drunk son to death

STRICT mum Jaya Tarela hacked her son to DEATH when he came home pissed after a night on the lash.

The firm-but-fair mother, 46, saw red when 27-year-old Santosh woke the house when he got back to the house "soon before 3am".

According to cops Jaya: "…took hold of an axe in a fit of rage and hacked her son to death – not stopping until he was in several pieces."

Jaya's husband, who has not been named by cops, reported his wife to police when he found his son's remains scattered throughout the hallway and she was arrested.

A police spokesman in Maharashtra, India, said: "When one is sparing of the rod one is very often spoiling the child but hacking one's offspring to death with an axe is taking discipline too far."

JOSH, 21, BASHED OVER JACK 'N' DANI MIX-UP

By BRAD CHADWICK news@sundaysport.co.uk

FANNY BUSINESS: Jack and Dani got Josh a twatting

A MILLENNIAL *Love Island* fan was beaten black and blue by an outraged Cockney who thought he was talking about MINGES in front of his aged mother!

Josh Wilton, 21, was excitedly chirruping about winners Dani Dyer and Jack Fincham with other snowflakes on the bus near his home in Shoreditch, east London.

He explained: "All of a sudden, this burly guy with gold sovereign rings and a thick gold chain around his neck marched over and said, 'Leave it aht sunshine. I don't want my old mum listening to your filthy jabber' and pointed at this little old lady he'd been sitting with.

Baffled

"I was baffled and said I was only talking about Jack and Dani. That's when he punched me, several times, before ringing the bell and escorting his mother off the bus, muttering 'Lor lumme, strike a light…'."

What Josh – who is a a media imagineering undergraduate and blue sky consultant – didn't know is that "Jack and Danny" is Cockney rhyming slang for fanny.

Josh wailed: "There should have been a warning at the start of *Love Island*. Now I can't even watch *EastEnders* without having an anxiety attack."

ONCE upon a time, a holiday was not a holiday until you'd been to a wet T-shirt contest.

These days, of course, butter-spined millennial snowflakes would collapse in a fit of *#MeToo* hysteria if anyone suggested that ladies in see-through tops should be a source of enjoyment.

But the wet T-shirt contests do go on, in those happy corners of the Med where political correctness has not yet spread its damp tentacles.

10 things you might not know about APPLE

TECHNOLOGY company Apple has beaten off stiff competition to become the world's first public TRILLION DOLLAR company.

The iPhone maker's market value reached the eye-watering figure in New York last week after seeing its stock rise rapidly since it first listed in 1980.

From the trusted iPhone to the iMac and even a failed games console, here's ten things you might not know about the technological giant...

1 It's no wonder the company is worth a trillion as Apple rakes in £230,000 every single minute.

2 **Apple's lesser known founding member Ronald Wayne will surely be kicking himself now. He sold his 10% stake in the company just 12 days after it was founded in April 1976 for just £615. Today, that same share would have been worth around £76billion.**

3 Every iPhone advert shows the phone displaying the time as 9:41am, which is the time Steve Jobs first unveiled the iPhone back in 2007.

4 **If you use iTunes, you have agreed in the Terms & Conditions not to use Apple products to create nuclear weapons.**

5 Apple is worth more than Switzerland, Sweden or Argentina.

6 **In 1985, Steve Jobs was fired by Apple after a power struggle with the then CEO John Sculley. But in 1997, Apple rehired their star man as the company floundered against rivals in the tech boom.**

7 Apple is named Apple after the fruit. It also appealed to co-founder Steve Jobs because he was a fruitarian when the company was formed, and ate nothing but fruit.

8 **There are more than 500 Apple stores across 24 countries but its thought that getting a job at one is harder than getting into America's top university, Harvard.**

9 The battery of an Apple Macbook could save you from a gunshot, it's made of bulletproof material.

10 **Apple made a games console in 1995 but it was a failure. Called the Pippin, it went on sale priced at £460 but only 100,000 were made. Less than half of them sold, making it one of the brand's worst ever inventions.**

Project Fear is now Project 'Cry Wolf'

WE all know the story of the little boy who cried wolf.

Time and again, he raised the alarm, claiming a wolf was in the village, only to be shown up as a liar every time.

Eventually, a wolf does get into the village and it bums the lad's grandma, or something.

It's a nursery tale our leaders were clearly never told when they were nippers. Because, if they had, Project Fear would never have happened.

Remember the referendum campaign? It seems like a lifetime ago now.

Gideon "George" Osborne, the then-Chancellor, claimed that if Britain voted to leave the EU, calamity would befall this nation the very next day.

There would have to be an emergency budget. Businesses would flee. The Pound and the Stock Market would collapse. Unemployment would double overnight. Most business groups, the European bank, the IMF and even President Obama joined his appalling shroud-waving.

Britain voted to leave. And Gideon's terrifying predictions didn't come true.

Yes, the Pound took a hit but it's on the way back. Unemployment fell. Inward investment surged.

Baloney

But far from being embarrassed, Gideon pressed on. Proving Albert Einstein's dictum that the definition of insanity is going the same thing and expecting a different result, he got a job running a local newspaper and continued his Project Fear baloney.

And he's got plenty of allies. Last week the BBC ran a story claiming that Brexit would lead to a sandwich shortage.

Yes. Sandwich shortage.

It was reported that straight after a "no deal" Brexit, Britain would run out of medicines and diabetics would start dropping like flies because insulin is not made in this country and has to be imported from the EU.

Despite everything, despite every Project Fear prediction falling flat, STILL they carry on.

But who is listening any more? When they talk about sandwich shortages, you start tuning out.

Now, the trouble comes if one of the Remainers discovers some real problem heading our way.

The Governor of the Bank of England – who played Orville to Osborne's Keith Harris during the referendum campaign – may see a proper disaster on the horizon.

But when he cries "Fire" – we cry "Liar!"

Like the little boy in the tale, our pro-european leaders have lied away their credibility.

And then they wonder why so many people turn to the nutjobs of the far left and far right.

UPROAR AT GRANDAD'S 70TH BIRTHDAY...

We wanted a LASER show – not a LEZZA show!

GIRL TROUBLE: Girls like this put on sex act at Don's bowls club

NIGHT OUT OF ORDER: Luke (*left*) and Josh wanted a laser show for their grandad Don

FOR their grandfather Don's 70th birthday party, brothers Luke and Josh Rawlings decided to treat him to a spectacular laser show during his party.

Unfortunately, the pair delegated the organisation to their cousin Dermot, who got the instructions a little confused.

So instead of a LASER show, two strippers turned up at Don's bowls and snooker club in Halifax, West Yorks, to put on an XXX-rated LEZZA show!

Luke, 37, raged last night: "I could have swung for our Dermot. When we were talking about a laser show he pipes up 'Oh, I can get that sorted'.

"Me and our Josh looks at each other and says 'Are you sure, our Dermot?' and he says, 'Aye, no problem'.

"We should have smelled a rat when he asked if we wanted a blue comic, too. We said, no just the lasers.

"He's thick as dogshit, is our Dermot, and he must have thought we were saying lezzas. These two ropey birds arrived at grandad's birthday party and Dermot goes and takes them in the back room.

"Then they come out in undies and that and starts feeling each other's tits.

Fannies

"Before we knew what were going on, they had their fannies out and were fingering each other's twats.

"I says 'Whoa, whoa, whoa…there's a load of nippers here'.

"Of course, the lot from over Barnsley way were going berserk and me mum were screaming grandad's going to have a turn.

"To be fair though, the old boy seemed to enjoy it. He's even taken his teeth out and put them on the table, that's normally a good sign.

"We managed to stop them before they got the dildos out, thank goodness. It's the talk of Halifax."

Last night Dermot said: "Who wants a bloody laser show at their birthday?

"I were sure they said lezzas, they should've written it down.

"Anyway, it weren't a total loss. One of the birds sucked me off in the car park. Nice one, grandad!"

That's no UNICORN – it's a DONKEY with a DILDO on its head

MUM'S FURY AT BIRTHDAY TREAT FIASCO

DICKHEAD: Marjorie has slammed the supplier of the 'unicorn' treat

KEEN to prove what a good parent she is, Marjorie Phillips spent £700 hiring a "unicorn" for daughter Meghan's third birthday party.

But the divorced trend analyst almost had a fit when the magical beast arrived – and turned out to be a DONKEY with a DILDO strapped to its head!

Marjorie, who lives in a £400,000 three-bed house in Milton Keynes, Bucks, raged: "I got the unicorn from a Facebook ad. Obviously, I wasn't expecting a real unicorn but I thought it would be something like a horse with an elephant's tusk nailed to its head.

Ruined

"Then this chap came slouching round the corner leading a donkey. I could see it had something on its head and then it struck me. It was a dildo!

"All the children were waiting for the unicorn and I had to hurry them all inside. Have you ever tried herding 20 excited three-year-olds?

"I asked the man with the donkey what he was playing at. Didn't speak a word of English, naturally.

SUNDAY SPORT EXCLUSIVE
By SIMON DEAN
news@sundaysport.co.uk

"I took a photo as evidence and sent the man on his way. The party was ruined, of course. Several mothers said it was very 'damaging' for Meghan for her mum to promise something and not deliver. Something about her having trust issues when she's older.

"The next day, I went to trading standards to complain and the staff there seemed to think there was something amusing about a donkey with a dildo on its head."

Marjorie, 31, added: "Meghan's father and that airhead he's shacked up with think it's hilarious but everything is ruined. Everything.

"I'd hoped to share pictures of Meghan riding her magical unicorn on social media so everyone could see how much I'd spent on her birthday.

"But all my plans are in tatters. I couldn't picture my daughter on a donkey with plastic phallus. I'd be crucified on Mumsnet."

Marjorie is now seeking compo through her local small claims court.

FIRST SEX

JOANNE: I made my fella wait a year before we had sex. I was a really shy teenager and wanted to wait until I was married before losing my virginity.

Luckily, I caved in, otherwise I'd still be waiting! And I'm really glad I did.

I'm also equally glad I held out because when we did have sex it was amazing. We'd already done lots of other stuff, so knew each other's bodies and there was no problem when he slipped inside me.

He was definitely my first love. We went out for three years and I was gutted when it ended.

KAYLEIGH: I lost my virginity on a trip to Scotland with a group of mates. We went to the comedy festival up there and met these gorgeous blokes.

One of them had a flat in the city centre, so after the pub we all went back. I got off with his best mate and ended up shagging him in the spare room while everyone else was in the living room.

He really knew what he was doing and he was really fit, so I didn't regret it.

FIRST ORAL

KAYLEIGH: The first time I went down on a guy was behind a bus shelter in Liverpool!

He was my boyfriend at the time and we were both really pissed after a night out. All our mates were egging us on, saying I didn't have the guts to do it. So I proved them wrong!

I only sucked him off for a couple of minutes, and he didn't cum, but I carried on where we left off when we got home and he exploded in my mouth within minutes.

I spat it out all over him, but he was just happy to have got a gobble.

JOANNE: I gave my first blowjob to the same boyfriend I popped my cherry with. We'd been seeing each other for about six months and had started giving each other mutual masturbation a couple of months earlier.

Then one day he decided to go down on me – it made me feel so horny.

Having an orgasm through oral was so much better than him using his fingers, so I did the same to him.

I really took my time, licking and kissing him. I'd never seen him so hard. And I loved putting him in my mouth.

I still love gobbling blokes and reckon I'm pretty good at it too, judging from their reactions.

FIRST TIME BUM FUN

JOANNE: I'm not into it. I don't understand it. Why would a girl want to have a bloke's cock up her bum?

It just sounds too painful and unsexy to me. I don't even like it when they put their fingers there.

I dumped one boyfriend because he wouldn't leave my bumhole alone. We'd been going out for about three weeks when we started having sex, and a week later he was trying for the backdoor.

I went mad, he called me a prude and that was it. I can't imagine I'll ever want to give it a go.

KAYLEIGH: If you really like a guy, then I think you should do it. Blokes get really turned on by it, and if I'm in love with someone then I want to please him.

The first time I did it, I was really nervous and it did hurt, but the second time was great. I had a massive orgasm through it.

Apparently, there are loads of nerve endings up there, and if you fiddle with your clit at the same time, it's amazing.

FIRST MASTURBATION

JOANNE: I didn't start touching myself until after my fella and I had split up.

Until then I had no need to and felt that I'd be insulting him if I did.

But when we finished, I was so horny for weeks afterwards that I had to. I started in the bath one night and ended up making myself cum in the water.

Then I got out and did it again on the bed. I think I came three times that night.

It really helped me discover there's loads of different ways to make yourself climax.

KAYLEIGH: I started playing with myself quite a long time ago. In fact, it was while I was in college.

Some magazines discuss masturbation and how women should discover their own bodies, so I thought I'd give it a go.

To be honest, I don't do it that often. I prefer a bloke to do it – and as I'm not averse to one-night stands, I don't usually have to wait long to get a bit of cock.

> **"We did it on a trampoline at a holiday park – it was so bouncy!"**

FIRST OUTDOOR SEX

KAYLEIGH: My first al fresco shag was on a trampoline at a holiday park in South Wales. It was so bouncy!

I used to go caravanning there with my parents every summer, and one year I met this really cute Cornish guy.

We hung out for most of the week, then at the end he finally made his move. But because we were both staying in caravans, we didn't have anywhere to go.

So one night we sneaked into the trampoline enclosure. Before I knew it, he had me flat on my back with my knickers round my ankles and my dress pulled up.

He started licking me out. It was so horny, so I pulled him up and put him inside me.

We were only there for about 10 minutes, but it felt like hours. Luckily, no one saw us, otherwise my parents would have hit the roof.

JOANNE: About a year ago I was seeing this guy from work. It wasn't anything serious, but he was pretty good in bed, so one day we decided to try something a bit more risky and ended up having sex in a shop's changing room.

It was one of these cheap clothes stores and there was no-one checking how many items you had. So I went in first and he followed me.

The worst thing was trying to keep the noise down – not because we were moaning with pleasure, but laughing. It was really funny.

But after a few minutes we really started to get into it, and he found it a massive turn on doing me from behind while watching in the mirrors.

Then we heard someone clearing their throat outside, so decided to hop it. I went bright red as we were leaving and haven't been back since!

FIRST DRESSING UP

KAYLEIGH: I got dragged to a fetish night at this really seedy club by this bloke I was seeing a couple of years ago. He was in his 30s and was really into leather and bondage and stuff.

I thought he was joking, but when he brought out a PVC outfit I knew he wasn't. It was a really tight black miniskirt with a weird-looking bra-top.

He persuaded me to give it a go, so I did, and hated every minute of it. I left after an hour and it's put me off the whole dressing up thing.

JOANNE: I used to dance and for one show we had to wear long curly wigs. One fella I used to date found it and asked me to put it on in bed. It really turned him on.

He had this weird thing about mermaids and thought I looked like one!

Then I started dressing up in a tight skirt and blouse and pretended to be a secretary. One time I even met him in a bar dressed like that, he got hard in the middle of the pub and dragged me off to the toilets! It was amazing.

I really get into it with the right fella.

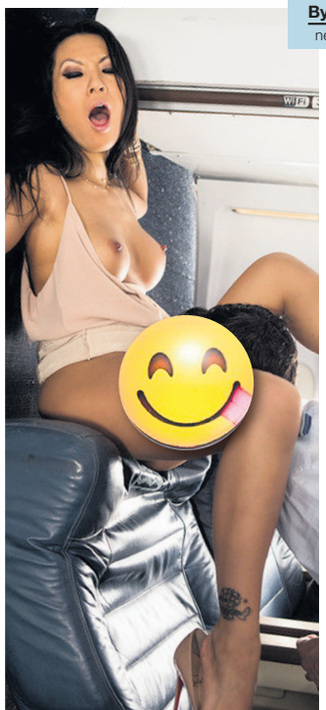
SUNDAY Sport LEGENDS OF PORN

PART 15 ASA AKIRA

By PENNY MARSHALL
news@sundaysport.co.uk



STUNNING Asa Akira was born Asa Takigami on January 3, 1985 in New York City.

The only child of Japanese parents, she lived in Japan between the ages of six and 13.

She went to school in New York and aged only 20, in 2006, she stared to appear in porn.

And WOW, what a splash she made.

Anal

With her trademark screaming "F**K, F**K, F**K" during sex and her near-violent enjoyment of spunk, fans couldn't get enough of this five-foot-two pocket dynamo.

Her first boy-girl scene was with Travis Knight for Gina Lynn Productions, after having already done several girl-girl scenes, mainly with Lynn.

But there was a LOT more to come.

She's very keen on watersports and in one kinky XXX scene, bums herself barmy with an anal douche.

Asa also enjoys a black man's willy up her bum!

She said in one horny interview: "My body's made for anal."

TOO RUDE

Pascal comes again for more Breaking Bad Bitches!

SHAFTA 2018 Male Performer of the Year Pascal White is back on Television X with a new series of *Breaking Bad Bitches*!

The concept of the show? Pascal finds girls that have never been f**ked on Television X before, and breaks them in!

Episode 1, starring Loula Lou, aired last night, but fear not – the hardcore scene will be online at *televisionx.com* from tomorrow morning.

Loula took a good hard f**king and made sure to satisfy the porn veteran to completion as he spaffed all over her cheeky sexy face – and she loved it.

The show will air every Saturday night at 10pm on *Television X*, and each week brings you a brand new face and a pussy that's ready to be filled.

Filthy

Along with Loula, the stars of the show include blue-eyed f**k-pot Catalia Valentine, tight-bodied alt-slut Luna Toxxxic, filthy piece of ass Madison Stuart and super sexy Ashleigh DeVere.

Call 0871 075 6969 and get the best deal on top quality home grown porn today!

TICKLES TICKLE TESS'S FANCY!

TASTY Tess O'Reilly WON'T be impressed by your 30-year-old SpiderMan bedspread – because she LOVES satin sheets!

The busty 32E model said: "They have to be soft and clean and feel sexy against my skin. That's what gets me in the mood."

By WENDY THOMAS
news@sundaysport.co.uk

Ireland-born Tess, who now lives in Newcastle, also loves a good bit of slap and tickle... literally.

She said: "I am completely helpless when I'm being tickled and that is such a turn-on.

"It never fails to get me wet and ready for sex."

BRITAIN'S ONLY NAKED TV GUIDE with SIMON DEAN

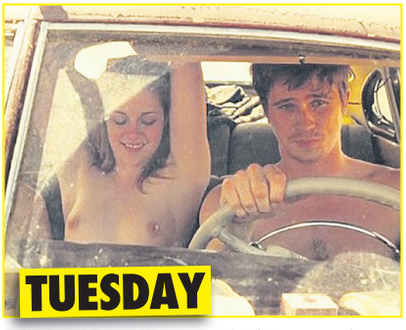
TODAY

Horror Channel, 9pm, *28 Days Later* – NAKED Catherine McCormack gets hosed down by health agents at 37 mins. She's not having much fun, but you'll certainly find the view of her bangers and side-ass very entertaining.
Horror Channel, 2.35am, *Satan's Slave* – LOTS and lots of good Seventies teat (*above*) courtesy of Candace Glendenning and Monika Ringwald, who shows bush at 31 mins.
Sony Movie Channel, 11.05pm, *Code of Honor* – APRIL Jorgensen is topless and riding a guy in cowgirl when he gets shot in the head at one hour 33!

TOMORROW

Paramount Network, 9pm, *Boomerang* – BRIEF, teasing looks at Robin Givens' hooters (*above*) whilst she and Eddie do The Horizontal Hokey-Pokey at one hour two mins.
Horror Channel, 9pm, *Prom Night* – IT'S distressingly dark, but you can see a bit of right boobage when Mary Beth Rubens and her guy make out at 59 mins, followed by a touch of full rackage when she stands up.
Horror Channel, 10.45pm, *Hostel: Part III* – EASTERN Bloc babe Evelina Oboza wears bra and panties in a hotel room at the one minute mark, but some right boob and butt peeks out as she starts the party with two dudes.

TUESDAY



5 Spike, 11pm, *Chaos* – WATCH in wonder as Natassia Malthe fights off some dudes without wearing a top at 35 mins.
Film4, 1.05am, *On The Road* – KRISTEN Stewart shows off her lovely little teats a lot during this classic (*above*). The double handjob in the car is particularly notable.
Movies4Men, 11.10pm, *Contract to Kill* – JEMMA Dallender wears a sexy baby doll before letting a lucky dude help her out of it at one hour one minute.

WEDNESDAY

C4, 1.25am, *Savages* – A DRUG dealer meeting is interrupted when Leana Chavez strolls out in an open top at one hour 30.
ITV4, 9pm, *The Mechanic* – MINI Anden shows off her cute little mini-mammaries (*above*) at 11 minutes.
Horror Channel, 10.50pm, *Wrong Turn 6* – THIS is the one that Roxanne Pallet gets 'em out in. In a sex scene. On the altar. I've pulled the end clean off just thinking about it.

THURSDAY

Horror Channel, 12.35am, *Deathgasm* – LEDA Petit (*above*) bares her boobs in this heavy metal dream sequence after the guitar player uses his eyes to laser off her shirt at four mins.
TCM, 10.55pm, *Get Carter* – BRITISH crime classic and, of course lots and lots of tits. And Alf Roberts getting thrown off of a car park.
Sky Greats, 10pm, *Road House* – ABSOLUTELY crammed with top flight blart and boobs. I'd suggest kitchen roll for this job, rather than the usual couple of sheets of Kleenex.

FRIDAY

ITV, 10.45pm, *Forgetting Sarah Marshall* – MILA Kunis lifts her shirt to show a sweet pair of teats at 51 mins. They're not actually her boobs, but a body double.
ITV2, 9pm, *American Pie* – IT'S ITV2…it's Friday. That means it's time for an American Pie movie (*above*). Really guys, this is getting beyond a joke now.
5 Star, 11.50pm, *The Shining* – LIA Beldam plays naked-woman-who-turns-into-old-hag at one hour 13.

PICK

TODAY

MONDAY

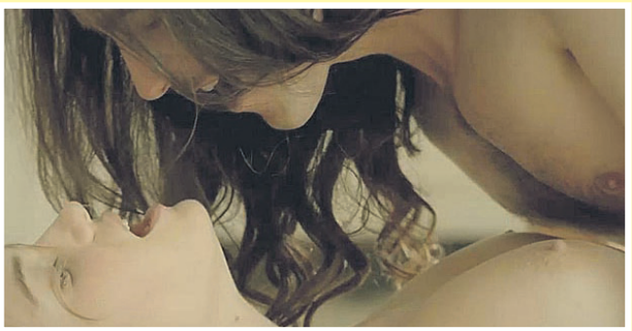
Saving Poundstretcher – C4, 9pm

DOCUMENTARY following Poundworld founder Chris Edwards after he was brought in by Aziz Tayub and his three sons to try to revive the fortunes of their Poundstretcher chain of discount stores.

Chris teams up with middle son Shehzad to streamline the range of products being bought, but this puts him in immediate conflict with Aziz, who buys a huge variety of unusual and niche products.

Chris also visits a Poundstretcher in Bolton, where he finds manager Tracey will do anything to keep her store open.

Bollocks gets in the way of the tits!



Versailles – BBC2, 9pm

THIS is the last-ever episode of this Frog sex 'n' royalty historical romp. To be fair, the filth has been exceptional, especially in this last series – but that said, all that history bollocks and "intriguing at court" gets in the way of the tits.

Louis arranges a public appearance in Paris where he can bless the sick, but Bastien, Jeanne and the others plot a far less healthy outcome for the king.

OF THE TELLY

By BARNEY SAMUELS

It could go right down to The Wire

Live Challenge Cup Rugby League – BBC2, 12.15pm

St Helens v Catalans Dragons (Kick-off 12.30pm). Mark Chapman presents coverage of the opening semi-final, which takes place at the Macron Stadium in Bolton.

Runaway Super League leaders St Helens face Catalans in a repeat of the 2007 final, won 30-8 by Saints.

For the first time, both semi-finals are taking place at the same venue on the same day. Warrington Wolves v Leeds Rhinos kicks-off at 2.45pm.

These sides met in both the 2010 and 2012 finals, and having won on both occasions, The Wire will be looking to repeat that trick today.

Flying Across Britain with Arthur Williams – C4, 7pm

A FORMER royal marine explores Britain from the air in his own 1943 single-seater aeroplane. His journey begins in the West Country, taking in the rolling hills and open plains of Gloucestershire, Wiltshire, Dorset and Somerset.

Along the way he meets fellow aviation enthusiasts, including an aerobatic champion and a Cotswold craftsman who makes wooden propellers. He's also at a flying display and attempts a landing on a reproduction aircraft carrier.

Nightcrawler – BBC2, 10pm

A CYNICAL petty crook is inspired when he sees a freelance camera crew, and decides to go into business filming crime scenes and accidents, then selling the footage to news broadcasters.

His determination to stay ahead of the competition leads him down a dark path as his methods become increasingly ruthless.

Crime drama movie, starring Jake Gyllenhaal, Rene Russo and Bill Paxton.

TUESDAY

The Foreign Doctors Are Coming – C4, 10pm

CAMERAS follow doctors from Brazil to Egypt as they adjust to life in the UK, get to grips with a new health system, culture and language, and study for their exam.

They have spent thousands of pounds travelling to the UK.

Training proves much tougher than they thought and most of them are astonished to discover the expectations of British patients.

Weather Terror: Tornado Hell – C5, 10pm

ACCOUNTS of Brits caught in perilous weather abroad, including two pensioners who were stranded in an open lifeboat for five hours on the Southern Ocean when the MS Explorer tourist cruise ship began sinking, after it hit submerged ice off Antarctica.

Plus, the novice storm chasers who had an uncomfortable experience with a tornado, a tourist midwife who was called to duty during a tropical storm, and a couple who witnessed ferocious flash floods on holiday in Madeira.

DON'T MISS THIS!!!

Britain by Bike with Larry & George Lamb – Friday, C5, 8pm

THE father-and-son duo explore Northumberland, where Larry can indulge his passion for Roman history as they cycle along a section of Hadrian's Wall.

The area's coast is famous for its kippers, so they head to the town of Craster for breakfast where they find a fourth generation family-run smokehouse and see how the kippers are prepared.

Despite his scepticism, Larry agrees to check into Britain's supposedly most haunted castle, where the pair wait for the ghostly blue boy to appear.

Gentle stuff but a stunning part of our country.

My perfect Sunday...

Holly Gibbons, 29, 32E, from Brighton

IT may be the Lord's Day but heavenly Holly Gibbons has a devilish diversion on the Sabbath...

She loves to indulge in a little light BUM SEX!

By WENDY THOMAS
news@sundaysport.co.uk

Quickie

The blonde beauty purred: "During the week, a quickie is best, as I like to have sex at least once a day.

"But on a Sunday, when I'm all nice and relaxed, that's the best time for some bum fun.

"You have to take your time, use loads of lube and take it really gently.

"It's something that you can't rush.

"Get it right and I come and come and come!

"Then it's nice to go out for Sunday lunch."

SUNDAY Sport SUNDAY STUNNA

I'm tit w*nk wizard of Oz!

BUSTY Aussie Angel Angela White LOVES giving tit wanks – and isn't afraid to tell the world.

In fact, the 33-year-old nympho isn't afraid to SHOW the world – because she's tossed off hundreds of blokes with her 32G busters on camera.

The stunna, originally from Sydney but who now divides her time between the UK and US, insists: "A man is completely helpless when he's got his fat dick between your tits.

By WENDY THOMAS
news@sundaysport.co.uk

"They whimper and whine and then shoot their mess.

"My favourite is for about ten men to go it, one after another, so my tits are absolutely dripping with spunk.

"It doesn't all go to waste, though. I've been known to swallow quite a bit."

Angela added: "Oh, and if you were wondering, I do like it up the arse, too."

Zafira KLASS

SAUCY model Zafira Klass has admitted she's a cheap date – because she'd rather stay indoors and SHAG.

The 23-year-old said being wined and dined and taken to swanky nightclubs really turns her off.

And spending all her energy on the dancefloor isn't her idea of a good time.

Steamy

But just because the 32D brunette likes to spend the night in, that doesn't mean she wants an early night.

So here she is dressing down for a steamy session in a pair of tiny black panties.

By BERNIE SAMUELS
news@sundaysport.co.uk

Milan-born Zafira said: "I can go all night, so I need a guy who has lots and lots of energy to keep up with me.

"I like to dance and party as much as the next girl.

"But if I'm on a date I don't want to waste all that energy on a night out – I'd much rather spend it in the bedroom!"

Zafira, who now lives in Bolton, Greater Manchester, added: "The way into my pants is romance.

"So if a guy cooks me a nice meal and lights a few candles he'll get a taste of me for desert."

THE WORLD FAMOUS AGONY Page

Dear Kelly,

I'M 26, good-looking with great legs and 36DD tits. But I managed to marry a right loser with a four-inch dick that does nothing for me.

He works long hours while I sit at home pining for a really good seeing-to. I pass the time watching daytime TV and occasionally pleasuring myself with a vibrator.

But now I've found myself a real nine-incher in the form of the landlord we rent our flat from. The other day he came round and I couldn't help but notice his large package.

I flirted with him and let him f**k me over our kitchen table. I came five or six times as he rammed it in.

Now I'm thinking of doing him weekly instead of paying rent. What do you think?

BL, Manchester

Kelly says...
MAKE sure you get a receipt for your services.

Dear Kelly,

I HAVE been really good mates with this girl for a couple of years. We have loads in common and we generally hang out at her place.

Two weeks ago, after fighting my feelings for her for a long time, I made a move on her. She pulled away, surprised, then I told her I thought I was in love with her and before I knew it she was kissing me back and we made passionate love.

I have never had a night like it in my life and I didn't want it to end. In the morning she had left for work when I got up and she wouldn't answer the phone all day.

When she got back she told me she couldn't be with me like that and it was friendship or nothing. I want her in my life but I don't think friendship is enough for me. What should I do?

AS, Luton

Kelly says...
GIVE her some space for a couple of weeks and then talk over your feelings.

AGONY IS BROUGHT TO YOU IN ASSOCIATION

WELCOME to the World famous Sport Agony page! No other newspaper's agony aunts can offer the level of advice – or experience – than our own Agony Angels! This week Kelly McGregor has been reading through your letters and emails. Here's her advice…

Best pal's mum gave me mind-blowing BJ

Dear Kelly,

I'M an 18-year-old student and last week my best pal's mum sucked me off.

She's 37 and a stunna with curly red hair, a fantastic arse and legs that seem to go on for ever.

I've known her since I was 10 and have always got on well with her. In fact, I probably get on with her better than I do with my own mum.

Sometimes I get angry with my mate because he's a spoiled brat and speaks to his mum like crap.

Bursting

And her husband isn't much better. Neither of them realises how lucky they are.

Then one day last week I called round to my pal's house and I was met by his mum in tears as she told me that he'd gone out with his dad.

She said I could go in and wait for him and, as we chatted, she told me she'd had an argument with her hubby and my pal, and that's why she was crying.

I hated to see her so distressed, so I put my arm around her shoulder and started to stroke her head. As I held her close to me and ran my fingers through her hair, I could smell her expensive perfume and, I hate to say it, but I got a hard-on.

I was almost bursting out of my pants when she put her hands around my head and pulled me towards her.

My whole body was shaking with desire as she pushed her tongue between my lips and placed her hand on my lap.

Then she undid my trousers, lowered her head and gently took my trembling cock in her soft mouth.

For the next 10 minutes I was in seventh heaven as she sucked and teased me expertly until I climaxed down her throat.

Afterwards, she acted as though nothing had happened and made me promise not to tell anyone.

But I can't stop thinking about her and what we did. I think I'm in love with her.

What should I do?

JW, Bristol

Kelly says…

YOU caught her at a weak and vulnerable moment. You must now do as she asks.

Dear Kelly,

THE barmaid down my local is a real game girl and we have a right laugh together. The other week I'd had a skinful and I stayed behind after closing time and she lay on the pool table, wriggled out of her knickers and then sat on my face so I could lap at her furry muff.

The trouble is, I'd had so much ale that I almost choked and now I'm scared of a replay – even though she keeps asking for one. What should I do?

PD, Northumberland

Kelly says…

TRY it when you're sober.

Bexi says…

Fear not! A thumb through some of the scandalous stories and sex confessions in your Sunday Sport should get your libidos fired up again!

THERE'S NOTHING FAKE ABOUT THE SEX HERE

STORMY DANIELS

It cost Donald $130,000 (allegedly) but you can enjoy her for just £15!

2 AMAZING NEW DVDs

PORN superstar Stormy Daniels is tipped to be one of the this year's Celebrity Big Brother housemates – looking forward to that Donald?

The writer, director and star of dozens of hardcore movies recently told of her night of passion with the President of the United States, Donald Trump and, frankly, didn't seem that impressed.

At the time she was in her prime at 27 while he was 60 and probably couldn't believe his good luck!

It as bad enough that he was married with a son on the way at the time but when it looked like he was heading for the White House the lawyers got involved and Stormy got her $130,000 to keep her trap shut.

But that's all for Donald to sort out. What we really care about is Stormy.

Amazing

You'll have seen her looking demure as she was being interviewed but you want to see her in action, right? You want to see her with a c*** in each hand and another deep inside her?

Well, here's your chance!

We've got two amazing new Stormy titles for your to savour.

Stormy Driven and Black Widow are great examples of hardcore porn that has a story and characters you can believe in. Saying that, if you just want to get downb the f***ing there's plenty of that! Each of these discs would normally cost you £30 EACH in a licensed sex shop – the only place in the UK you can buy genuine hardcore porn – but if you take a copy of the Sport to any of the Private shops listed on this page you'll only have to pay £15 each or £25 for both! So, if you want to see Stormy taking some massive meat you know what to do!

RRP ~~£30~~ Bring this Sunday Sport & you pay £15 each
Or get them BOTH for just £25

SUNDAY STUNNA

GORGEOUS Zuzanna Drabinova was stunned when she came to the UK and found so many Brits are prudish about nakedness.

The 32F-25-36 beauty, who lived in Prague, Czech Republic, before coming to Britain to make her name, said: "In the rest of Europe, people are far more relaxed about nudity.

"They have naked women – and men – on advertising hoardings. But here some people launch campaigns against public nudity, calling it 'exploitative'.

"Well, if you complain about a naked body, you are complaining about God's work – which makes you a heretic."

The 28-year-old added: "I'm not saying they should be burned at the stake…yet!"

ON HIS WAY: Ings

Four clubs in fight for £20m man Ings

LIVERPOOL left Danny Ings at home as his exit from Anfield draws closer.

The striker was left out of the squad that took on Napoli in Dublin.

Boss Jurgen Klopp has told Ings he can leave rather than face another season sat on the bench at Anfield.

He has been slapped with a £20m transfer fee, which looks reasonable for an England international even with his dodgy injury record.

Ings was not likely to figure much for the Reds this season with Daniel Sturridge seemingly back to full fitness, along with Dominic Solanke and Rhian Brewster waiting in the wings.

Now it's a question of where Ings goes with at least four Premier League clubs in the running for his signature.

Leicester, Crystal Palace, Southampton and Newcastle would all like to sign him.

The Toon may not have the money for a permanent deal but Rafa Benitez has made it clear he wants a striker before the big kick-off.

Dead

The same teams could also consider signing Divock Origi who can go for a similar fee having spent last season out on loan in Germany.

Klopp is trying to get rid of all the dead wood at the club which could add up to more than £60m should the Ings and Origi deals go through.

Goalie Simon Mignolet looks set to move this week with Turkish side Besiktas interested — but they won't pay more than £10m for the Belgian.

The 30-year-old is now the third-choice keeper at Anfield since the signing of Brazilian Alisson.

Barcelona would be willing to take Mignolet too but he would be sitting on the bench as back-up for Marc Andre Ter Stegen.

The Reds would be willing to loan him out to get him off the wage bill but a permanent deal is preferred.

Other players in the Anfield car boot sale include forward Lazar Markovic who was given his chance on the pre-season tour of the States.

Turkish sides Galatasaray and Fenerbahce are both interested and the Reds would be willing to take half the £20m they paid to Benfica in 2014. That seems optimistic though.

I DON'T NEED NEW FACES

Guardiola happy with his squad

PEP Guardiola believes he has a strong enough squad for Manchester City to retain their Premier League crown.

The Spaniard has not been especially busy in the transfer market and says he'll only get his chequebook out if a "special talent" comes along.

He has shelled out £60m for Riyad Mahrez from Leicester but he has only been joined by Philippe Sandler who has arrived from PEC Zwolle.

When asked if he would be doing any more business before the window closes on Thursday, Guardiola said: "We will see.

"If at the end we decide to bring another one, it is because he's a special player, can be a special player for the future, not to have one more player for the number.

"So, I'm so satisfied — all my period here, even the first year — with the squad we have.

"Now from Monday we'll be all together. We are going to start to think what we have do to this season maintain the level of last season."

Guardiola is more focused on getting players out of the club rather than boosting numbers.

Joe Hart in particular is looking for a new challenge given he has no chance of pulling on a City shirt this season.

Guardiola said: "We'll see what happens in the next days. We know the situation.

"I admire his commitment, his professionalism in every single training session.

"We try to help him understand what we want to do and that's all. We are going to see."

BY ANDY MILLOM

Guardiola is open to letting Hart leave the club on a free transfer, adding: "I'm not a sporting director, so I don't know the deals."

Guardiola is delighted that Brazil striker Gabriel Jesus has committed his future to the club.

He has signed a longer deal to keep him at the club for the next five years.

Guardiola said: "Gabriel has improved a lot since he came.

"His courage, his fight to put every effort for the team is incredible.

"I never met one striker who fights like he fights for the team and he's able to improve, he always wants to know what he can do better and that is fantastic.

"So, congratulations to him. Thank you to Gabriel for trusting us, to stay longer with us and of course for the club to make this effort to keep him with us for the next years. He is so young and to find a striker with his qualities is complicated."

Mahrez is likely to figure in today's Community Shield showdown against Chelsea.

He missed a couple of training sessions with an ankle issue but is expected to be fit.

Kevin De Bruyne and Raheem Sterling are still on their holidays after the World Cup.

Guardiola is full of praise for new Chelsea boss Maurizio Sarri.

He said: "The team already in a short time plays like he wants."

KEEPING FAITH: Gabriel Jesus has signed a new deal at City

NO MORE DEALS: Guardiola is happy with his squad

CRYSTAL CLEAR FOR ZAHA

By MARK NAYLOR

CRYSTAL PALACE will pull out all the stops to keep Wilfried Zaha at the club.

The forward reportedly wants to leave Selhurst Park and head across London to Stamford Bridge or Tottenham.

The 25-year-old is also attracting admiring glances from Borussia Dortmund in Germany.

Boss Roy Hodgson is desperate to keep hold of his star player.

That's because the Eagles barely managed to score when he was out of the side last term.

His return to fitness was the key to them climbing up the Premier League table more than anything else.

And Hodgson knows it. He said: "I spoke to Wilf and he certainly gave me no indication it was true about wanting to quit the club.

"In fact, we were talking about how good the new signings were and how they would help us. The thing with Wilf is very simple. He's very much an integral part of our plans. He's very much an integral part of Crystal Palace Football Club.

"So, my hope and my plan absolutely is that he will stay. I'll let the speculation continue and I will continue happy to work with him."

Hodgson is trying to get a couple of deals across the line before the window closes on Thursday. He is trying to bring Jordan Ayew from relegated Swansea but that deal looks to have hit the buffers.

New arrival Cheikhou Koyate from West Ham is fighting to be fit for the big kick-off.

The £10m signing has only trained for a couple of days giving him a week to get fit in time to take on Fulham in the first game of the season.

German international Max Meyer is further ahead after moving from Schalke earlier this week on a four-year contract.

Late show Willian is still a Blue

BACK AT BRIDGE: Willian

BRAZILIAN BOLLOCKED... BUT WON'T BE LEAVING

WILLIAN has been told off for arriving back late at Chelsea — but there has been NO talk of him leaving.

By JOHN ANTHONY

The Brazilian is being chased by Barcelona and Manchester United with the Catalans reportedly on the verge of signing him.

The 29-year-old arrived back late for pre-season and won't be involved against Manchester City in the Community Shield.

New boss Maurizio Sarri said: "There is not a Willian problem.

"I spoke yesterday with him about his lateness, not about his future. It was a very positive conversation. I am happy about it."

Sarri is spending more time talking about who is and isn't leaving the club than focusing on sorting things out on the pitch.

It will be interesting to see if Thibaut Courtois is between the sticks against City at Wembley.

It looks as though his move to Real Madrid is all but signed and sealed. But Chelsea have not managed to bring in another stopper yet and time is running out before the window closes on Thursday.

Sarri said of the Belgian: "At the moment Courtois is the goalkeeper of the club, of Chelsea.

"I don't know in the future. It depends on the club. It depends especially on him, I think.

"But, I hope that Courtois will be our goalkeeper. It's very important for us to keep the top players."

There will be no N'Golo Kante or Eden Hazard as they are still recovering from their World Cup exploits.

New gaffer Sarri has only had a couple of weeks to prepare and the Community Shield could be the first trophy he's even won as a gaffer.

He is looking forward to the challenge of facing Pep Guardiola. The 59-year-old said: "The match for us is very difficult for one reason — they have worked all together for two years. We started two and a half weeks ago.

"I want to win, because it's very important to have immediately a trophy.

"But in this moment of the season it's very important, the performance.

"We have to improve, of course. And so I hope to see from my team another step."

Cesc Fabregas is an injury doubt for the Blues. He has a knee issue that has kept him out of training.

Sarri added: "I don't know if he will be able to play on Sunday, but he has nothing serious."

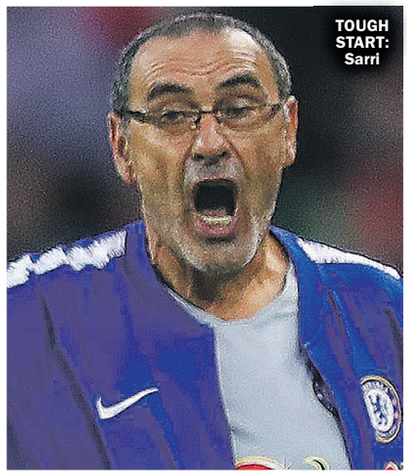
WITH HIS SPORT ODDS AND ENDS



TOUGH START: Sarri

NEW BOSS WILL BE SO SARRI!

THE annual curtain-raiser to top flight English football, the Community Shield, is today's highlight with champions Manchester City meeting FA Cup winners Chelsea in Maurizio Sarri's first game in charge.

He will be without a number of key players including Willian, Eden Hazard and Thibaut Courtois and faces an anxious wait between now and the end of the transfer window — which is 5pm on Thursday in the EPL – as he tries to keep hold of all his best players.

The last four Community Shields have actually been won by the FA Cup winners with Manchester United back in 2013 the last PL winners to lift the trophy. As well as Italian Jorginho in midfield I am looking forward to seeing 17-year-old Callum Hudson-Odoi in a Chelsea shirt – the teenager has been earning rave reviews and might get playing time at Wembley with Olivier Giroud and Hazard missing following their World Cup exploits.

City playmaker Kevin de Bruyne will be at Wembley but will not be available and Pep Guardiola will be without Raheem Sterling. This will be Guardiola's fifth match at Wembley in five different competitions! He has won three and lost one of the previous four which have been in the Champions League (2011), FA Cup (2017), League Cup & Premier League (2018).

City are 21/20 with BetVictor with the Blues 13/5 and the draw at 13/5. It promises to be a phoney war with so many key players missing but it should still be an entertaining game and the recommendation is for City to win and both teams to score at 11/4.

Looking ahead to the start of the Premier League next weekend and this is a big week for a number of clubs with the premature closure of the transfer window. Barcelona's Yerry Mina is likely to move to the Premier League this week, but will it be to Manchester United (1/2 with BetVictor) or Everton (6/4)?

You get the impression the Colombian wants to move to Old Trafford, but does Jose Mourinho have him merely as a contingency just in case he can't get either Toby Alderweireld or Harry Maguire over the line. If Everton lose out on Mina expect them to return to the Riverside and try and get Ben Gibson from Middlesbrough with Mo Besic going the other way as part of the deal. Gibson is Evens at BetVictor to join Marco Silva at Goodison before the end of the window.

Liverpool have been the best backed side in our market without Manchester City and they rate nap material at 5/4. The signing of Brazilian keeper Alisson might just be the last piece of the jigsaw at Anfield.

Betting without Manchester City: BetVictor odds

Liverpool	5/4
Manchester United	5/2
Chelsea	5/1
Tottenham	6/1
Arsenal	8/1

City were magnificent last season, but can they sustain it? Fernandinho was great last season but he is 33 and his best days may, arguably, be behind him. Has Guardiola missed a trick in not signing another holding midfield player this summer or will he pull a midfield rabbit out of the hat before Thursday?

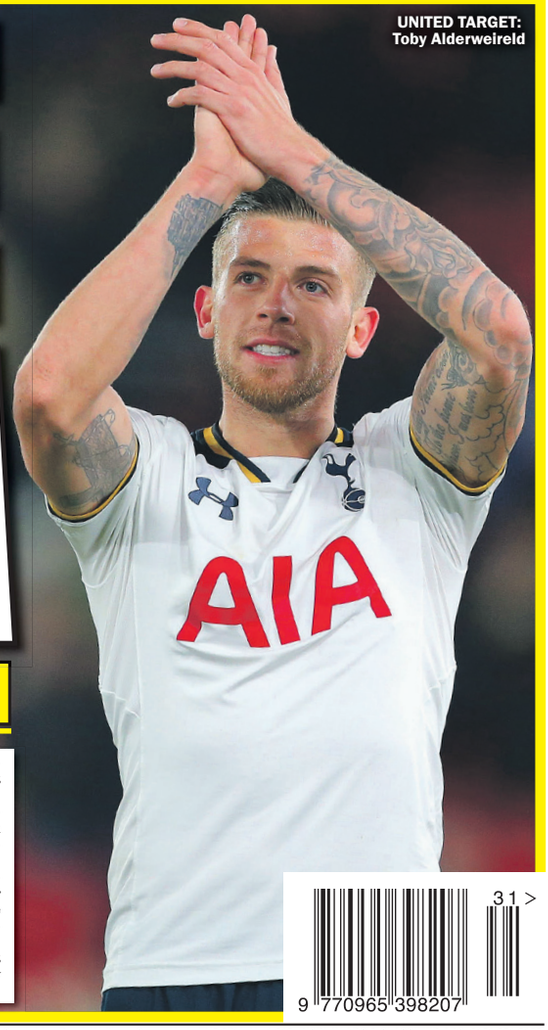
TOBY SURE FOR £50M

Spurs will accept 'low offer' from United



UNITED TARGET: Toby Alderweireld

TOTTENHAM will let Toby Alderweireld join Manchester United for £50m this week.

By JOHN ANTHONY

Spurs were holding out for £70m for the Belgium defender who is entering the final year of his contract.

Alderweireld is ready to force the move because he'll sit in the reserves for a year and then move for NOTHING eventually if he has to. United boss Jose Mourinho is desperate for more quality at the back.

He has Phil Jones and Chris Smalling along with Eric Bailly and Victor Lindelof.

But no combination of that quartet fills the Portugeezer with confidence.

Alderweireld is 29 and can hit the ground running thanks to his Premier League experience with the Londoners.

Crucially, the player is desperate to leave White Hart Lane and move to Old Trafford.

He has reportedly told Tottenham that he won't sign for anyone else and that could stop a bidding war breaking out.

Mourinho is trying to offload Marcos Rojo to make space for the new arrival.

He is attracting interest from several clubs, including Everton who have just let Ashley Williams leave.

United have other options should Tottenham decide to keep hold of Alderweireld.

They are chasing Leicester and England defender Harry Maguire and have also been linked with Barcelona's Yerry Mina.

But time is running out with the transfer window closing on Thursday.
